

TECHNICAL DATA SHEET

Fresh + Clean Fragrance Diffuser N°2 Holder

Code 9132/HOLDER

DESCRIPTION

Callington's Fresh + Clean Fragrance Diffuser N°2 Holder is a standalone plastic holder designed to securely hold the Fresh + Clean Fragrance Diffuser N°2 ring in aircraft lavatories. Engineered for simplicity and flexibility, the holder adheres to vertical surfaces using a high-strength adhesive backing – eliminating the need for installation of traditional metal bracket holders. The slide-on / slide-off design streamlines servicing and replacement, significantly reducing maintenance time and complexity for airline operators.

FEATURES

- Durable Plastic – provides long-lasting support for fragrance rings in high-traffic lavatory environments.
- Tool Free Installation – Mounts easily with adhesive backing, eliminating the need for screws.
- Simple Slide-On Design – Allows for quick and easy fragrance ring replacement.
- Compact and Low-Profile – Designed to fit discreetly in tight lavatory spaces without interfering with other fixtures.

PHYSICAL PROPERTIES

- Appearance: Hard plastic PP
- Color: White
- Weight: 50 gram per holder
